Heavy-Duty Water-Soluble Degreaser

MARKEM Special Chemicals & Lubricants

Markem™ **Heavy-Duty Water-Soluble Degreaser** is a heavy- duty, alkaline, water-soluble degreaser and highly concentrated, dilutable chemical cleaner. It is effective in removing all types of dirt such as grease, oil, ink, carbon, and others. It is formulated to meet the demands of industrial, institutional, and household accounts.

Application

Spray, mop, and immerse depending on the matter of surface to be cleaned. Let the chemical stay a few minutes then rinse off with clear water. On concrete surfaces, the mop method is recommended. Markem Heavy-Duty Water-Soluble Degreaser can be diluted up to 15 parts, depending on the dirt to be cleaned.

Benefits

- Produce rich foam that lifts dirt from the surface
- Easy to use
- Safe to use, biodegradable, non-toxic, and non-flammable
- Quickly acts on organic material, spots, stains, and others
- Does not contain bio-stimulating phosphates, a prime source of water pollution

Typical Physical Properties

Color
Pinkish Clear

Odor
Mild

pH
11.05-13.0

Specific Gravity
1.05 to 1.1

Solubility
Soluble in water, insoluble in most solvent

Form
Liquid

Flammability
Non Flammable

Available in the following packaging:

1-Liter Bottle / 4-Liter Gallon / 20-Liter Pail / 200-Liter Drum
